RETAILERS PLEASE NOTE: HeroClix 2015 Marvel New Mutants Monthly OP kits are available only WHILE SUPPLIES LAST!

- Stores are not *required* to have a volunteer or judge present to run an event; store owners may ultimately determine how events in their store will run and how the kits are used to promote in-store play.
- Each OP Kit includes prizes to run multiple events, with each event giving away prizes for 1st, a fellowship drawing and a flex prize. A suggested schedule and format guide makes it easy for stores to run HeroClix organized play for the first time.
- This Monthly Organized Play Kit includes four copies each of three different Limited Edition figures (**Cable**, **Wolfsbane**, and **Gladiator**), each designed to interact with the **New Mutant (Cable and Wolfsbane)** and **Imperial Guard (Gladiator) Team Bases** from the recent **Marvel HeroClix** release, **Wolverine and the X-Men!** The **Marvel HeroClix: Cable SwitchClix** is an all-new sculpt and dial, while both the **Marvel HeroClix: Wolfsbane** and **Gladiator SwitchClix** figures are pre-existing sculpts with new dials.
