(Simply put an X in the Points column if using a Standard object for that type)

Tournament Tracking

Round	Before Match Starts		After Match Ends		
	Opponent's Name	Opponent Sign-off (Verify build)	Your Result (W or L)	Your Victory Points	Running Total
(pre)*			n/a	n/a	n/a
1					
2					
3					
4					
5					

*Use the "pre" round for events like sealed where your build total is verified by someone you do not play against
