

DC HeroClix: No Man's Land Month Five Organized Play Instruction Sheet April 2013

A 7.6 magnitude earthquake has leveled Gotham City, transforming it into a lawless wilderness--a "**No Man's Land**" of anarchy completely cut off from the outside world. Can you survive long enough to champion, or conquer, the ruins of Gotham City?

Organized Play (OP) Kit Contents:

- Four (4) **Killer Croc** Limited Edition Figures
- 20 **Re-Breather** 3D Special Objects
- 10 Double-sided Maps (for use in your **No Man's Land** Month Five event)
- Month Five Event Sheet

Directions:

- The suggested format for the Month Five Event is a 400 point, Sealed event utilizing two (2) boosters from **DC HeroClix: Batman**.
- Prior to the event, players will "declare their allegiance" to one of the six **No Man's Land** "Gangs" (**GCPD, Batman, Joker, Two-Face, Killer Croc, or Black Mask**). They are now fighting for turf on behalf of their chosen gang.
Upon completion of the event, the Gang with the most **Event Points** (see next page) has now conquered the **Gotham Waterfront** for their Gang. "Tag" the corresponding location on the included laminated **Gotham City** map with the appropriate Gang Token (provided in Month One kit).
- The **Re-Breather** 3D Objects are Participation Prizes to be awarded upon completion of the event to each player.
- **Killer Croc** LE Figures are to be awarded to First, Second, and Fellowship players. The remaining **Killer Croc** figure is for the Judge running the event.
- The "**Gotham Waterfront**" map is intended for use in the Month Five event.

Additional No Man's Land Scenario Rules: (Recommended, to be played on Pre-Quake map)

QUAKE: At the end of each player's turn, that player rolls 2d6. On a result of 3 or less, replace this map with the **Gotham Waterfront** (post-quake) map. Characters are placed in the same square they currently occupy on the new map. Any character that now is illegally placed is dealt one (1) unavoidable damage and is moved to the next closest square(s) it can occupy by its controller.
