Marvel HeroClix: Fear Itself Month One Organized Play Instruction Sheet June 2013

*“And thus...thus that most **wretched** of prophecies begins to unfold, as I so feared. He’s back. The **Serpent** is back.”*

-Odin All-Father, “Usurper” of Asgard;
Fear Itself #1, Marvel Comics

Organized Play (OP) Kit Contents:

- 20 **Marvel HeroClix: Fear Itself** Tournament Boosters (One Case)
- Four (4) **Loki on Hel Wolf** Limited Edition Figures
- 21 **Book Of The Skull** 3D Special Objects and 21 **Kuurth’s Hammer** 3D Special Objects
- 21 double-sided ATA cards
- One (1) **Fear Itself** battlefields poster with “Fear Tracker” Token
- 10 Double-sided Maps (for use in your **Fear Itself** Month One event)
- Month One Instruction Sheet

Directions:

- Schedule your **Fear Itself Month One** event in the **WizKids Event System (WES)**. The suggested format for the Month One Event is a 300 point, Sealed event utilizing two (2) HeroClix Boosters per player: one (1) **Marvel HeroClix: Fear Itself** Booster pack, and one (1) other **HeroClix** (not **Fear Itself**) booster of your choosing
- Prior to the event, players will “declare their allegiance” to one of the two **Fear Itself** Factions: “**The Worthy**” or “**The Mighty**.” They are now fighting for victory on behalf of their chosen Faction. They will utilize the appropriate **Additional Team Ability** for their faction (provided in the Month One **Fear Itself** kit) on their force. Please provide one copy of the included double-sided **The Worthy/The Mighty** ATA cards to each participant prior to the event’s start.
- Upon completion of the event, determine which Faction has the most **Event Points** (see next page). Move the “Fear Tracker” token from the center **Fear Itself** symbol found on the bottom of the poster, in the direction appropriate for the winning Faction (left for “**The Worthy**,” right for “**The Mighty**”). This will be important for the Month 6 final event.
- The **Book of the Skull** and **Kuurth’s Hammer** 3D Objects are Participation Prizes to be awarded upon completion of the event to each player. There are 21 pieces of each to allow for the event’s Judge. If no Judge is running the event for your store, please reward the 21st pieces to a participant (if applicable).
- The **Loki on Hel Wolf** LE Figures are to be awarded to First, Second, and Fellowship players. The remaining **Loki on Hel Wolf** figure is for the Judge running the event. If no Judge is running the event for your store, please award it to another participant (either Third Place or an additional Fellowship prize).
- The “**Book of the Skull Fortress/The Raft**” maps are intended for use in the **Marvel HeroClix: Fear Itself** Month One event.
- Report your completed **Fear Itself Month One** event in the **WES**.

Total Event Points:		

Marvel HeroClix: Fear Itself Score Sheet Instructions

For *Fear Itself* events One through Five, all Players receive:

- One (1) Point for Attending event
- One (1) Point per Loss
- Two (2) Points per Win
- Three (3) Points per Event Win

Keep a running tally of your players' total Event Points, as well as each Faction's total accumulated Event Points; this information will be very important for the Month 6 final event, which includes a special "Fear Itself" prize for the top ranking players of the Faction with the most month-to-month victories!

At the end of your *Marvel HeroClix: Fear Itself* Month 6 event, whichever Faction (either "The Worthy" or "The Mighty") the "Fear Tracker" token is closest to is the victorious Faction!
