

DC HeroClix: War of Light Frequently Asked Questions (FAQ):

Q: What is DC HeroClix: War of Light?

A: DC HeroClix: War of Light is a six-month storyline Organized Play program beginning in June 2014. War of Light features exclusive content found only in War of Light five-figure tournament boosters and limited edition prizes found only in Organized Play kits.

Q: How often will DC HeroClix: War of Light events take place?

A: Each DC HeroClix: War of Light Organized Play kit will support one monthly event for up to 10 players each.

Q: What are the requirements to participate in DC HeroClix: War of Light?

A: Stores must be registered in the WizKids Event System (WES), and must have signed off on the WizKids Promotional Product Licensing Agreement. Lastly, stores must schedule their monthly DC HeroClix: War of Light events in the WES as well.

Q: How do I order DC HeroClix: War of Light Organized Play materials and five-figure boosters?

A: Contact your HeroClix distributor's sales rep to order today!

Q: What if my distributor runs out of DC HeroClix: War of Light Wave One or Wave Two boosters? Can I still run the events?

A: Make no mistake, DC HeroClix: War of Light is going to be hot and the boosters will only be available *while supplies last*. If your distributor runs out of boosters for any particular month, you can still order your War of Light Organized Play kits separately, and run the sealed events with any two other HeroClix boosters from your inventory.

Q: Can I set aside extra War of Light boosters from my Wave One and Two booster bricks for use in Months Five and Six?

A: Absolutely. This is an excellent plan as we do not believe there will be much, if any, booster product available directly from us by the time months Five and Six roll around. Caching extra boosters like this for later use will allow greater flexibility for stores' events later in the program. Any product leftover from War of Light months One-Four can be used in months Five and Six.

Q: What if I need three or more War of Light Organized Play kits to support my store's monthly War of Light events?

A: Talk to your Sales Rep; every request for additional kits will be reviewed on a case-by-case basis.

Q: What if, after speaking with my sales rep, I still cannot get enough War of Light Organized Play kits?

A: This is actually part of the reason we're allowing for more Booster Bricks to be purchased per Organized Play kit. While not perfect, it will allow stores flexibility to accommodate additional players than their War of Light Organized Play kit allotment would normally allow.
